

# CANVAS

## 1200CX

Revolutionize your drywall finishing process.

### BENEFITS

#### Consistent Quality

Predictable and consistent high-quality results every time.

#### Schedule Savings

Reduce touches on your walls, 1 day for mud application, 1 day for sanding.

#### Increased Safety

70% repetitive motion reduction, reduced work at height, 99% of dust captured.

### KEY FEATURES

#### Compact

Boasting an impressively compact design, measuring just 30"x 34.5" and weighing 1200 lbs.

#### Easy Positioning

All wheel steering makes it a breeze to position and maneuver in tight spaces.

#### Battery Powered

Ditch the cords. Run all day on a single charge.
